(A Joint Venture of GAIL (India) Ltd., BPCL & Govt. of NCT of Delhi)

IGL/BD/CBG/Kedarnath/2026-27/01

Date: 13/05/2026

To,  
The Executive Officer,  
Nagar Panchayat Kedarnath,  
District – Rudraprayag, Uttarakhand.

**Subject:** Regarding the proposal for the establishment of a Biogas/Bio-CNG/Bio-Power plant for the scientific disposal of wet waste at Shri Kedarnath Dham under CSR.

**Reference:** Your Letter No. 21/CSRIGL/2026-2027 dated 11/05/2026.

**Dear Sir/Madam,**

We write to express our sincere gratitude and appreciate the Nagar Panchayat Kedarnath for approaching Indraprastha Gas Limited (IGL) with the proposal to establish a Biogas/Bio-CNG plant under our Corporate Social Responsibility (CSR) initiative.

We acknowledge the critical environmental challenges outlined in your letter. We understand that as a world-renowned pilgrimage center, the high daily influx of devotees, local establishments, and residential units results in substantial quantities of wet waste, including food residues, fruit, vegetables, and other biodegradable materials. Given that the Kedarnath area is an extremely sensitive high Himalayan ecological zone, we fully agree that a scientific, long-term solution for waste disposal in accordance with environmental standards is an urgent necessity.

Regarding your request for technical and financial assistance for this compressed biogas plant project, IGL is highly interested in exploring this initiative. To move forward, IGL plans to conduct a site visit to thoroughly evaluate the technical feasibility of the proposed plant.

To ensure a smooth and productive assessment, we kindly request you to appoint a dedicated coordinator or nodal officer from the Nagar Panchayat. This coordinator will be instrumental in assisting the visiting IGL team with local site inspections, logistical arrangements, and gathering necessary ground data regarding waste generation and proposed site conditions. Accordingly, IGL team will plan its site visit.

Thanking you,  
Yours Faithfully,

*Ajai Tyagi*
