Subject: Regarding changing of voting place from sector 142 to sector 137

Respected Sir

This is to request you currently our voting place falls in sector 141 which is 3-4 km away from our residences.

We are 40000+ residential area and most of them are senior citizens. Since place is far away, it is difficult for the residents to cast their vote.

We therefore request you to please request election commission to shift our voting place from **Nagar Public School Sector 141** to Sector 137 in **SKS Public School** or in some society club.
