Subject: Regarding inclusion of a metro station at sector 137 for the proposed Aqua metro line to ease commuting to Delhi.

Honourable Sir,

This is to bring into your kind Knowledge that we are 8 societies in sector 137 with approximately 70000+ of population living currently.

Since this initiative of the newly proposed metro Aqua line is on its initial stage to form a direct link with the botanical garden, Sector 137 is in a desperate need to be part of this link simply due to its large section of the population that includes women and students commuting Delhi for their jobs and colleges respectively.

We would like to request you to kindly include a metro station at sector 137 for proposed aqua line to ease out lives of residents traveling from sector 137 to Delhi.

Subject: Regarding Inclusion of Sector 137 Metro Station at on proposed Botanical Garden Corridor.

Honorable Sir,

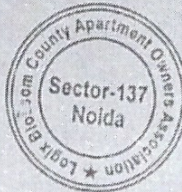

This is to bring into your kind knowledge that we are 8 societies with an approximately 50000+ of population living currently in the sector 137, Noida.

Since newly proposed metro line i.e Botanical Garden Corridor between sector 142 and botanical garden is on its initial stage, sector 137 is in a desperate need to be part of this much awaited link. Since proposed Botanical Garden Corridor is going to be the only direct link between Noida and Delhi Metro, Sector 137 is in desperate need of benefits of this direct link simply due to large section its population that includes women and students are finding it very difficult commuting to Delhi with the present Aqua line for their jobs and colleges respectively.

We would like to request you to kindly include a metro station at sector 137 for proposed Botanical garden corridor to ease out lives of residents traveling from sector 137 to Delhi.

**Subject:** Regarding creation of stoppage at Sector 137 for new metro line\*

Dear Sir,

This is to bring to your kind Knowledge that we are the Apartments owners Association (AOA) / Maintenance Agencies of Sector 137 where around 15000 families reside with population of 50000+.

Almost half of the population is going to Delhi and other parts of NCR for their professional, Educational and other works. Commutation to Delhi is a major problem specially for ladies as metro catering to our sector takes more than required time and don't have direct connectivity with Delhi Metro.

We request you to provide stoppage for sector 137 in order brings convenience of commutation for our sector.
